

SAINT JOSEPH SCHOOL DRESS CODE POLICY (K-8)

School uniforms are important for a number of reasons. As part of the Catholic school tradition, uniforms help to create a Catholic identity. Uniforms, which distinguish school clothes from play clothes, have been connected to better academic and behavioral performance. They help to eliminate the pressure of wearing the right brands or fashions, and can lead young people to realize that their value and worth comes from being children of God, rather than from what they wear or look like. Uniforms provide parents the advantage of lower cost for school clothing and eliminate daily battles and struggles over what clothes children will wear to school, especially in a time when fashions have become increasingly more immodest. Saint Joseph School students in K-8 grades are expected to adhere to the dress code as outlined below. The administration reserves the right to make discretionary judgments regarding appropriateness of student dress/fashion not explicitly covered by this dress code. The uniform policy will be enforced.
