Dear Parents,

As the LLCHD Directed Health Measure of yesterday afternoon states, all students and adults over the age of two will need to be masked indoors at our school beginning tomorrow through the end of September when the directive will be reassessed by authorities. Of course, we will continue to provide mask breaks and outdoor opportunities for our students. Details about how this will affect extracurricular activities will be forthcoming as our Lincoln-area parishes and schools receive guidance from the Diocesan Education Office, the Chancery, and legal counsel.

Please know that this directive comes from the Health Department in cooperation with our mayor and the CEOs of our two major hospitals. I encourage your feedback to them on either side of the issue. I know that some families may feel the need to leave our learning community before the September 30th reassessment due to concerns over this policy. If that is the case, know that we will remain here for you and your family should you decide to return. We hope that you will continue to hold us up in prayer, as we will do for you and your families.

May God bless us during this time and sustain us in our mission here at St. Joseph's. Mary, full of grace, pray for us!

Yours in Christ,

Kevin Naumann
