

St. Joseph School Family THANKS YOU!!

Through the Intercession of St. Joseph the Worker and in celebration of our School Family on St. Joseph's Feast Day, we wanted to take a moment to THANK all the wonderful families, businesses and parishioners who have helped us make this school year a success!! From our Covid quarantine last spring to now, so many of you have given of your Time, Talent, Treasure and Prayer to support and love not only our students, but our teachers and staff as well.

A sincere thank you for: cleaning supplies, help organizing and getting up and running distance learning, masks, bottled water, help in our nurse's office, plastic bags, food donations, substitute teachers, and various other items of service. We are also extremely grateful for the monetary donations from our Parish families, without whom we would not be able to run our school. Finally, a huge thank you for all the amazing prayer warriors our school family has had that have gotten us through this pandemic year, one day at a time.

Thank you does not seem like enough, but please know you all continue to be in our prayers of thanksgiving as we finish up our 2020-21 school year. Of particular note, we would like to recognize the following families/businesses for their contributions. If we left anyone off, we are sorry for the oversight. You are each a blessing to us!
