August 19, 2021

Dear Parents,

Our school is now once again open to volunteers! We need volunteers in the classroom, at recess, at lunch, with field trips, etc. We need your extra eyes, ears, and hands to help with these activities, whether it's gluing glitter on a Christmas card, organizing games and treats for a classroom party, or keeping a watchful eye on our students at recess. You can find volunteer opportunities by signing up in the classroom on Back to School Night, looking for the Lunch/Recess Volunteer Sign-up Links in the weekly email, or contacting your student's teacher. We would love to have to you and would be so grateful for whatever time you can give.

In order to be sure we keep everyone safe, and in accordance with our Diocesan requirements, we ask that everyone who volunteers to work with our students complete the Safe Environment Training every year and a Background Check every 5 years. Just contact me at Gloria-jundt@cdolinc.net and I will help you get started with the training. If you have already done the training but it has been awhile and you're not sure if you need to renew it, you can log back into your account to check expiration dates or you can contact me and I will find out for you. If you forgot your password, pull up the website and click on the Support button. If you have any other questions contact me.

The Administration, teachers, staff, students, and I would like to thank all of you for your volunteer service to our school. Our school would not be able to function the way it does without you. The gifts of your time, talents, and treasure are greatly appreciated.

Sincerely,

Gloria Jundt
Educational Consultant
Program Coordinator
