School Drills

In addition to the typical fire drills done about once a month, we also annually have lockdown and evacuation drills. For children with anxiety issues, it can be important for you, as parents, to know this ahead of time to help them prepare. A great resource for lockdown drills is the children's book, "I'm Not Scared, I'm Prepared," by Julia Cook. You can also find online videos of this story. Our first lockdown drill for the year is scheduled for **Friday, October 25th**, in the morning. Our evacuation drill is scheduled for **Tuesday, October 29th**, after Mass, weather permitting. If you have any questions, please feel free to call the school office.
