SCHOOL NEWS

SEPTEMBER 12, 2019

KNIGHTLY NEWS FROM THE PRINCIPAL!

We are excited to use a new format for our newsletter articles. Visit our new blog site at: <https://stjosephknightsprincipalpage.home.blog/2019/09/12/new-faces/>. We will be writing our articles in this format so we can attach pictures of what is happening in the school.

SERVICE LOGS

As a key part of our Mission Statement, we continue to look for ways to instill "loving service" into the hearts of our children. Every year, the children are asked to complete service hours as a means of experiencing the joy of serving others. We have made some revisions this year, particularly for the older students. Your child's teachers will be going over these guidelines, but we encourage you to look over the service logs and procedures and let us know if you have any questions.

ST. JOSEPH SCHOOL CAREER OPPORTUNITY

St. Joseph School in Lincoln has an immediate opening for an administrative assistant and registrar. Duties include tracking and maintaining registration information and enrollment numbers, maintaining student records, assisting with Human Resources tasks as needed, maintaining parent contact database, and updating the school website in conjunction with the Director of Communications. For more details or to submit a resume, cover letter, and references, please email Principal Kevin Naumann at kevin-naumann@cdolinc.net.

MORNING DROP-OFF

Many of you have been grateful for the free service we provide of monitoring your children in the cafeteria if you need to drop them off at 7:30. Unfortunately, many students were coming early just for social reasons which has made supervision more difficult. Starting on Monday, Sept. 9, students arriving early have been expected to bring a book (personal book, textbook, etc.) to read silently until the 7:55 bell. We understand that some have forgotten and we've allowed library checkout this week. However, starting next Monday, Sept. 16, any early students without a book will need to wait silently in the school office. We are so blessed that Mrs. Walker has been generous in offering the morning supervision of early students for families with a need, but if your children don't need to come early, we appreciate you bringing them closer to the 7:55 bell when they can go right to classrooms.
