## TeamMates Needed

The TeamMates program is a great opportunity to be a positive influence in a child's life. Please consider applying to be a mentor for TeamMates. We have a number of children on the list waiting for a "match." One great aspect of the program is that they match personalities and interests of the child and adult to have a more successful program. If you are interested, please go to [www.teammates.org](http://www.teammates.org) or call 402-436-1990.

## Many Ways of Fire Safety

Macy Kleinschmidt was the 4th Grade school winner for the annual “Learn Not to Burn” fire safety poster contest. She was awarded a ribbon at school by our local firefighters at Station 12. Macy’s theme was the many ways to stay safe in a fire. Way to go Macy!

## Winter Outdoor Recess Policy

In consultation with teachers and staff, the winter outdoor recess policy has recently been revised regarding temperature. The highlighted items below are changes to the original policy. This will go into effect immediately. To review other recess guidelines, see the parent handbook on pages 20-22. Thank you for sending your children properly dressed for cold weather!

### **Blacktop**

- When the blacktop is ice covered, students will have indoor recess.
- When the blacktop is snow covered, teachers will use discretion to determine if recess will be outdoors.

### **Temperature**

- Teachers always have the option to take students outside for brief periods of fresh air.
- When the temperature, with wind chill, is below 10 degrees, students will have indoor recess.
- When the temperature, with wind chill, is between 10 and 20 degrees, students will go outside for part of the recess. The time will be determined by playground teacher discretion.
- When the temperature, with wind chill, is above 20 degrees, students will have outdoor recess.
