TeamMates Needed

The TeamMates program is a great opportunity to be a positive influence in a child's life. Please consider applying to be a mentor for TeamMates or recommend it to others. We have a number of children on the list waiting for a "match." One great aspect of the program is that they match personalities and interests of the child and adult to have a more successful program. If you are interested, please go to www.teammates.org or call 402-436-1990.
