14 Monday: Student Confessions
Confirmation Mass Make-Up
(A-Mi) 7:00 PM
15 Tuesday: Confirmation Mass Make –Up
(Mo-W) 7:00 PM
25 Friday: Walk For Christ

From the School Nurse

Thank you to all who have sent in specific medications for your child for us to have on hand and completed their permission forms. If you have not done so, please complete the following and send in to the school as soon as possible:
General medication form for the school to administer non-prescription medication as needed for your child (Tylenol, ibuprofen, etc.).

Prescription medication form for the school to administer as prescribed.

Asthma/allergy action plan for students who need this.

Allergy/asthma self-management for students who carry medication and self-medicate.

Please also note that cough drops will not be allowed in school this year since a sore throat is one of the 2-fold symptoms that could keep your child home. If you have a doctor's prescription for using cough drops to treat a non-COVID illness, please send that in along with the drops and we will be sure your child gets them as prescribed.

Wednesday Adoration

We will begin Wednesday Adoration of the Blessed Sacrament for our students on September 2. As in the past, we have classes sign up for adoration slots one at a time. Since we rotate classes every other week, we will once more have adoration times open through the day. If you are interested in or able to spend some time adoring our Lord on Wednesdays, please contact Sr. Mary Angela at sr.mary-angela@cdolinc.net to make arrangements. Benediction will be at 3:00 pm each Wednesday.

PowerSchool Learning

In the event that we would need to switch to remote learning, it will be important for all families to be able to access PowerSchool Learning to see the teachers' pages with student classroom information. We are working on an instructional format to share with you in next week's Weekly Watch. Stay tuned!

Reminder of the COVID-19

Daily Assessment

Hopefully, you kept a copy of the **COVID-19 Acknowledgement Form** that you signed prior to the start of school. As a quick reference, the statement and questions below are from the agreement:

I agree to conduct a daily COVID-19 screening of my child ("Student") by reviewing each of the following questions with my child before she/he arrives at School each day:

1. Do you have one (1) of the following?

- Fever of over 100.4 degrees Fahrenheit
- Onset of shortness of breath or difficulty breathing
- New onset of dry cough
- New onset of loss of taste or smell

2. Do you have two (2) or more of the following?

- Chills longer than two (2) hours
- Congestion and/or runny nose
- Nausea, Vomiting or Diarrhea
- Sore throat
- Headache
- Muscle Pain

3. Have you had close contact with someone who tested positive for COVID-19? Close contact means longer than 15 minutes within 6 feet without a face covering or residing with someone who is positive for COVID-19.

4. Have you been directed to self-isolate due to a positive COVID-19 result or for having contact with someone with COVID-19?

What is BIST?

You have likely heard teachers refer to a program called BIST in their Back-to-School presentations. BIST stands for Behavior Intervention Support Team. It is a program for which all our staff was trained this June as a further means to support our students when they are having difficulty managing their emotions/behaviors appropriately in the classroom. This model enhances the Discipline to Discipleship program that we have already implemented. There are several components to BIST, but this year we are especially focusing school-wide on the three Goals for Life:

1. I can make good choices even if I'm mad.
2. I can be okay even when others are not okay.
3. I can do something even if I don't want to or it is hard.

By focusing on these three goals, we aim to assist students when they struggle to still work toward a positive outcome. We'll be sharing more details in upcoming newsletters, but to get you started, you can view this [Parent Brochure](#) or check out the [BIST website](#).

Water Bottles

As a friendly reminder, please send your child to school with a refillable water bottle each day. We have had a number of students who have gotten disposable plastic water bottles from the office, but we would like to keep these on hand for emergencies and our supply is almost out. All the school drinking fountains are sealed except for the water bottle refill function. Thanks for helping to keep your children well hydrated!

Meals for the Sisters

Dear School Families,
The past few years we have been blessed with the opportunity to provide weekly meals for the School Sisters of Christ the King who teach in our schools. Please click the [link](#) for more details and to sign up to participate in this very important ministry. Thank you for your prayerful consideration. Please reach out to me if you have any questions. Cara Matthes: (402) 477 8266 or caramatthes@neb.rr.com

Volunteers

We will be hosting a New Volunteer Orientation on **September 8th at 6:30pm** in the Library. We will be sharing important information on volunteer training videos, school procedures, field trips, etc. It will last approximately an hour. If you have any questions or wish to RSVP for the orientation, you can contact Gloria Jundt at gloria-jundt@cdolinc.net or 402-489-0341.

Recycled Paper/Large Envelopes

Do you have white printer paper that's only been printed on one side and is piling up in your recycling bin? Or, do you or your business have large office envelopes (9 x 12ish) that are no longer needed? If so, St. Joseph School could really use them! Please bring either item by the school office any day school is in session. Thank you!!

Para Professional Position

St. Joseph School is looking for a faith-filled individual who has experience working with children to serve as a part-time Para Professional. Tentative hours are from 8:00 am-1:00 pm Monday-Friday. Responsibilities/Duties include: confidentiality; strong communication skills with adults and children; assisting teachers with students individually or in groups; basic computer skills, including Microsoft Office Outlook, Word, Excel, and Publisher; and a working knowledge of printers, copiers, laminators and basic office equipment. Please contact Kevin Naumann if interested in this positions and send a resume and references to kevin-naumann@cdolinc.net.
