**Pledge of Respect to the Students of St. Joseph School  
Grades Kindergarten through 2**

As a child at St. Joseph School, I will treat all other children kindly. I will try to be a good friend to all and to make no one sad by my words or actions.

If I am angry with another child, I will pray for them, use the virtues and skills I am taught, and ask the help of an adult if I need it.

St. Joseph School belongs to Jesus Christ. It is a school where children strive to treat others with kindness. I wish to treat others with kindness.
