Pledge of Respect to the Students of St. Joseph School

Grades 3 through 8

As a student of St. Joseph School, I promise to respect and to treat with kindness all other students attending our school. I will not purposely tease, annoy, cheat, exclude, or be physically aggressive to other students. I will not steal or damage their property or school property. I will not say unkind or untrue things about other students. I will not laugh at them in a mean way, nor try to make them look foolish in the eyes of their peers. Rather, I will try to befriend and to uphold the good reputation and dignity of all students in this school.

Like St. Joseph, I will be a true and courageous Christian in my manner and in my dealings with others, even those whom it is hard for me to like. If I am having an ongoing problem with another student, I will pray for this student, use the virtues and skills that I have been taught, and if necessary, ask the help of an adult.

I pray for God's grace and blessing in this important endeavor. I realize that failure to treat other students with love and respect may result in losing my privilege of education at St. Joseph School. St. Joseph School belongs to Jesus Christ. It is a school for those who strive to follow His way of life. I desire to follow His way of life and will treat others with respect and kindness.
