

### **Walk For Christ – Rosary Litany**

You will be given a stack of intentions collected from benefactors. You can look them over and loosely connect them according to the 5 categories shown below. You would then read off the set that goes with each category prior to praying a decade of the Rosary, interspersed with a litany of patron saints related to that intention.

When your class leaves the picture station and walks down 77th street sidewalk toward Trendwood Park, students can enjoy visiting with one another. As you enter the park sidewalk, please stop to recollect students and begin the Rosary for the intentions entrusted to us by our WFC benefactors. You can say something like:

***“As we begin this Rosary, let us pray for all of those who have been so generous to our school for Walk For Christ. We pray for our parents for choosing a Catholic education for us and for all those who support St. Joseph School. Let us offer the Rosary for them and for their intentions.”***
